## EXPERIENCE

**Web Developer**  
SwitchHigh

Mar 2024 - August 2024  
*Remote*

- Migrated the client's news portal website from WordPress to **Next.js** using **Figma**, enhancing **UI/UX** and integrating the YouTube **API** for seamless video embedding.
- Developed a dashboard and **CRM** system for a tours and travel company using **Next.js**, optimizing their workflow with a **drag-and-drop** interface.
- Created a **dashboard** using **Next.js** for a wedding photographer's company and a booking form with an integrated **payment gateway** for streamlined transactions.

## SKILLS

Languages	HTML, CSS, JavaScript
Libraries/Frameworks	Next.js, React.js, Redux Toolkit, Puppeteer, Cheerio, React Quill, JWT, Mongoose
Tools / Platforms	Git, Postman, VsCode
Databases	MongoDB

## PROJECTS

### Offline Image Resizer

HTML, CSS, JS, Service Workers

(Code) (Live)

- Developed a web application that **resizes** images, with **offline** functionality using **service workers**.
- Implemented **client-side** image resizing, reducing processing time by **60%**, efficient in low-bandwidth areas.

### Job Portal

Next.js, CSS, Puppeteer, Cheerio

(Code) (Live)

- Developed a **responsive** web application using **Next.js** that aggregates job listings from over 100 companies.
- Implemented **web scraping** with **Puppeteer** and search and filter options, enhancing **user experience**.

### Achchi Khabar

Next.js, CSS, React Quill, JWT

(Live)

- Developed a dynamic news portal using **Next.js** with **server-side rendering** (SSR) and **generateStaticParams** for efficient content delivery and **SEO** optimization.
- Implemented a **JWT**-authenticated admin panel featuring a **WYSIWYG** rich text editor for uploading news.

### Audiophile

React.js, Redux Toolkit, CSS

(Code) (Live)

- Developed an **e-commerce** website with intuitive **UI/UX**, allowing users to shop and add items to the cart.
- Implemented using **React.js** and **Redux Toolkit** for state management and a seamless **user experience**.

## EDUCATION

**B.Tech CSE** Chandigarh Engineering College

2021 - 2025

## ACHIEVEMENTS

- Achieved 2nd position globally in the COVID Hackathon organized by WhiteHat Jr out of 25,000 participants.
- Secured 1st position in Web Craft organized by Tech Roadies Club CGC in 2024.
- Recognized as a top frontend development voice on [LinkedIn](#).
